

Endorsements — Principles and Guidelines for Reporting Preclinical Research

Endorsing Associations, Journals, and Societies

- American Association for Cancer Research, Christine Rullo, Publisher
- American Journal of Gastroenterology, William Chey and Paul Moayyedi, Co-Editors-in-Chief
- Annals of Medical and Health Sciences Research, Uchenna Nwagha, Editor-in-Chief
- Antimicrobial Agents and Chemotherapy, Louis Rice, Editor-in-Chief
- Applied and Environmental Microbiology, Harold Drake, Editor-in-Chief
- Arteriosclerosis, Thrombosis, and Vascular Biology, Alan Daugherty, Editor-in-Chief
- Biochimica Biophysica et Acta, Ulrich Brandt, Editor-in-Chief
- Blood, Bob Löwenberg, Editor-in-Chief
- BMJ Open, Richard Sands, Managing Editor
- British Journal of Pharmacology, J.C. (Ian) McGrath, Editor-in-Chief
- Cell, Emilie Marcus, CEO Cell Press and Editor-in-Chief
- Cellular and Molecular Gastroenterology and Hepatology, Jerrold R. Turner, Editor-in-Chief
- Circulation, Joseph Loscalzo, Editor-in-Chief
- Circulation Research, Roberto Bolli, Editor-in-Chief
- Circulation: Arrhythmia and Electrophysiology, William G. Stevenson, Editor
- Circulation: Cardiovascular Genetics, Ramachandran S. Vasan, Editor
- Circulation: Cardiovascular Imaging, Marcelo F. Di Carli, Editor
- Circulation: Cardiovascular Interventions, David P. Faxon, Editor
- Circulation: Cardiovascular Quality and Outcomes, Harlan M. Krumholz, Editor
- Circulation: Heart Failure, James E. Udelson, Editor
- Clinical and Translational Gastroenterology, Brian E. Lacy, Editor-in-Chief
- Clinical and Vaccine Immunology, Marcela Pasetti, Editor-in-Chief
- Clinical Microbiology Reviews, Jo-Anne Young, Editor-in-Chief
- EMBO Scientific Publications, Bernd Pulverer, Head of Scientific Publications (on behalf of EMBO Scientific Publications)
- Endocrinology, Andrea C. Gore, Editor-in-Chief
- Eukaryotic Cell, Aaron Mitchell, Editor-in-Chief
- Eye, the Scientific Journal of The Royal College of Ophthalmologists, Andrew J. Lotery, Editor
- Genome Announcements, Philip Matsumura, Editor
- Global Journal of Medicine and Public Health, S.M. Kadri, Editor-in-Chief
- Human Genome Variation, Katsushi Tokunaga, Editor-in-Chief
- Hypertension, Anna F. Dominiczak, Editor-in-Chief
- Infection and Immunity, Ferric Fang, Editor-in-Chief
- International Archives of Medicine, Manuel Menendez Gonzalez, Editor-in-Chief
- International Journal of MCH and AIDS, Romuladus E. Azuine, Editor-in-Chief
- Investigative Ophthalmology and Visual Science, David C. Beebe, Editor-in-Chief
- JAHA – Journal of the American Heart Association, Joseph A. Vita, Editor-in-Chief
- Jornal de Pediatria, Renato S. Procianoy, Chief Editor
- Journal of Ayurveda and Integrative Medicine, Bhushan Patwardhan, Editor-in-Chief
- Journal of Bacteriology, Thomas Silhavy, Editor-in-Chief

- Journal of Basic and Clinical Reproductive Sciences, Uchenna Nwagha, Editor-in-Chief
- Journal of Biological Chemistry, Martha J. Fedor, Editor-in-Chief
- Journal of Cerebral Blood Flow & Metabolism, Ulrich Dirnagl, Editor-in-Chief
- Journal of Clinical Microbiology, Alexander McAdam, Editor-in-Chief
- Journal of Craniofacial Surgery, Mutaz B. Habal, Editor-in-Chief
- Journal of Dental Research, William Giannobile, Editor-in-Chief
- Journal of Human Genetics, Naomichi Matsumoto, Editor-in-Chief
- Journal of Neuroscience Research, Eric M. Prager, Editor-in-Chief
- Journal of Pharmacology and Experimental Therapeutics and American Society of Pharmacology and Experimental Therapeutics., Michael F. Jarvis, Editor-in-Chief
- Journal of Virology, Rosanne Sandri-Goldin, Editor-in-Chief
- Journal of Wildlife Diseases, James N. Mills, Editor-in-Chief
- Kidney International, Detlef Schlondorff, Editor-in-Chief
- Macedonian Journal of Medical Sciences, Mirko Spiroski, Editor-in-Chief
- mBio, Arturo Casadevall, Editor-in-Chief
- Medical Student Research Journal (MSRJ), Jack Mettler, Executive Editor
- Medicina Fluminensis, Ivan Sosa, Executive Editor for Online Publishing
- Microbiology and Molecular Biology Reviews, Diana Downs, Editor-in-Chief
- Molecular and Cellular Biology, Roger Davis, Editor-in-Chief
- Molecular Biology of the Cell, David G. Drubin, Editor In Chief
- Molecular Therapy, Malcolm Brenner, Editor-in-Chief
- Molecular Therapy - Nucleic Acids, John Rossi, Editor-in-Chief
- National Journal of Integrated Research in Medicine, Chinmay Shah , Editor-in-Chief
- Nature and all Nature Publishing Group owned publications, Philip Campbell, Editor-in-Chief (On behalf of Nature and all Nature Publishing Group owned publications)
- NeuroImage, Peter Bandettini, Editor-in-Chief
- Nucleic Acids Research (Oxford University Publishing), Barry L. Stoddard, Senior Editor
- Pan African Medical Journal, Raoul Kamadjeu, Managing Editor
- PLOS, Elizabeth Marincola, Chief Executive Officer
- PLOS, Virginia Barbour, Medicine and Biology Editorial Director
- PLOS ONE, Damian Pattinson, Editorial Director
- Science journals, Marcia McNutt, Editor-in-Chief
- Stroke, Marc Fisher, Editor-in-Chief
- The American Journal of Pathology and American Society for Investigative Pathology, Kevin A. Roth, Editor-in-Chief
- The BMJ, Trish Groves, Head of Research
- The Journal of Antibiotics, Kuniaki Tatsuta, Yoshikazu Takahashi and Kazuro Shiomi, Editor-in-Chief and Managing Editors
- The Journal of Cell Biology, Alan Hall, Editor-in-Chief
- The Journal of Experimental Medicine, Marlowe Tessmer, Executive Editor
- The Journal of General Physiology, Sharona Gordon, Editor-in-Chief
- The Journal of Neuroscience and eNeuro, Society for Neuroscience, Professional Society
- BMJ Publishing Group Ltd, Publishing Group
- World Association of Medical Editors (WAME), Professional Association
- International Committee of Medical Journal Editors, Professional Association
